- (e) mandatory payment of the participation in cash;
- (f) determination of minority rights and how they are exercised;
- (g) linking the Manager's remuneration to the results of the Investment Scheme, setting the objectives of the Investment Scheme and its proposed investment schedule;
- (h) the obligation of the Fund Manager to comply, to the extent not provided by applicable law, with the Valuation Guidelines and Reporting Guidelines of the European Investment Capital Association (Invest Europe);
- (i) obligation to inform the Investment Targets that the investment is provided in the context of the implementation of the specific Project;
- (j) an obligation to inform HDBI, as well as HDBI's right to audit, or have a person authorized by it or by other competent audit bodies;
- (k) an obligation to inform HDBI of compliance with the provisions of Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector;
- (l) information rights;
- (m) existence of a custodian in accordance with the applicable legislation.

9. HDBI's investments in Investment Schemes shall be made on terms acceptable to a normal economic operator in the context of the market economy, so as not to provide benefits to these Investment Schemes or to private investors who co-invest in them with HDBI and, therefore, at this level there is no advantage that could be transferred to the Investment Targets. These Investment Schemes in which HDBI will invest, and the Private Investors of the Investment Schemes, do not receive state aid within the meaning of Article 107 of the Lisbon Treaty amending the Treaty on European Union and the Treaty establishing the European Community (2007/ C 306/01) and in line

with the Commission Communication - Guidelines on State aid for the promotion of venture capital investment investments (2021/C 508/04). HDBI also expects both dividends and capital appreciation from its participation in the Investment Schemes. For this reason, the relationship between the management fee and the carried interest should be such so as to clearly operate as an incentive for the Manager to ensure that the Investment Scheme achieves a high rate of return. Based on the above, HDBI will participate in Investment Schemes where:

(a) investment decisions are made on the basis of financial criteria and the Investment Targets raise their capital on the basis of market terms;

(b) HDBI will acquire less than / equal to 50% of the funds / votes of the Investment Scheme and will invest pari passu with the other investors (same risks, same returns, same time of investment), while it is clarified that no own equity of HDBI is co-invested;

(c) the Manager's remuneration is also linked to the performance of the Investment Scheme.

10. Current legislation must be complied with as regards: (a) the prevention of money laundering and terrorist financing; (b) anti-corruption laws and (c) tax laws, with the level of professional care, effectiveness and transparency normally anticipated from a business organization.

11. The obligations listed above do not howsoever entail HDBI's waiver of its right to negotiate each individual term to be included in the Management Agreement to be signed with any Investment Scheme it may decide to participate in, subject essentially to the terms of Agreements dated 01-04-2022 between HDBI and the Greek State, whereby HDBI was assigned the management of the Resources for the implementation of the Project, as the above Agreement is applicable from time to time.

VIII. MANAGER' S SELECTION PROCEDURE

1. In order for HDBI to participate in an Investment Scheme, there must be initially no effective grounds for exclusion according to Section V (GROUNDS FOR EXCLUSION) and thorough compliance with the requirements of Sections IV (DESCRIPTION AND GENERAL CONDITIONS OF THE OPERATION AND INVESTMENT OF THE INVESTMENT SCHEMES) and VI (HDBI PARTICIPATION TERMS) of this Call must be met. The selection shall be made through a transparent and objective procedure based on the criteria laid down in Section VII (CONTENT OF EXPRESSION OF INTEREST AND SELECTION CRITERIA) herein. The selection procedure is as follows:

Phase I: Submission of the Expressions of Interest and checking that the formal conditions laid down in the Call are met.

2. Interested parties should initially submit to HDBI the Expression of Interest, which should be complete and well-documented and clearly mention on the cover of the physical file or in the title of the electronic file the title of the Project "Q-equity". The Expression of Interest should be delivered both by e-mail and in hard copy (by hand or by registered letter or by courier) at the following contact details:

HDBI, 3 Merlin str., Athens, 10671

Email: gequityfunds@hdbi.gr

In case of discrepancy between the contents of the electronic file and the physical file, the contents of the electronic file shall be deemed to have overriding effect. Within three (3) days from receiving the physical file, HDBI shall send an email confirming that it has been received. It is clarified that the above confirmation is not a statement or acceptance of the completeness of the file, nor acceptance of the proposal by HDBI.

3. Once the proposal is submitted, HDBI will check the fulfillment of the typical conditions set out in this Call and shall then carry out an initial

assessment of the following: (a) whether there are any grounds for exclusion according to the terms of Section V (GROUNDS FOR EXCLUSION) herein; (b) whether the Expression of Interest includes all supporting documents and information laid down in Annex 1 and Section VII (CONTENT OF THE EXPRESSION OF INTEREST AND SELECTION CRITERIA) of this Invitation and (c) whether the proposal – submitted through the Expression of Interest complies with the formalities prerequisites laid down in Sections IV (DESCRIPTION AND GENERAL CONDITIONS OF THE OPERATION AND INVESTMENT OF THE INVESTMENT SCHEMES) and VI (HDBI PARTICIPATION TERMS).

4. HDBI shall then inform by e-mail each interested party, within thirty (30) days from the day their Expression of Interest was filed, whether the Expression of Interest meets the requirements of paragraph 3 above in principle (in which case the Expression of Interest will advance to Phase II, as described below) or not (in which case the interested party has the right to file objections as per the terms of Section IX (RIGHT TO OBJECT) herein).

Phase II: Substantive Evaluation of Expressions of Interest

5. Every Expression of Interest that meets the requirements listed in paragraph (3) above [either after an initial evaluation as per paragraph (4) or after HDBI accepts the offeror's objections as per paragraph (2) of Section IX (RIGHT TO OBJECT) below], is then substantively evaluated by HDBI. HDBI may evaluate multiple Expressions of Interest at the same time and may request offerors to provide any additional information or clarifications necessary for such evaluation. As part of this process, offerors are requested to present to HDBI the proposal included in their Expression of Interest.

6. Following the above, HDBI carries out a thorough evaluation and review of the Expression of Interest, the proposal contained therein and its individual elements, among others, for the confirmation of facts or details and the evaluation of the risk. If the evaluation and review process is successful and the proposal is authorized by the competent corporate bodies (see relevant table

of Annex 2), the offerors are requested to provide a detailed description of the terms of the Management Agreement, otherwise they are notified by e-mail that their proposal was rejected. The above requests to the offerors do not howsoever oblige HDBI to conclude a Management Agreement.

Phase III: Conclusion of a Management Agreement or final rejection of the Expression of Interest

7. The conclusion of a Management Agreement is conditional upon authorization of its final draft by the competent HDBI bodies. Once (and if) such authorization is granted, HDBI will invite the offerors concerned to sign a Management Agreement.

8. Without prejudice to paragraph (10) of this Section, HDBI will notify by e-mail each offeror who was requested to present their proposal as per paragraph (5), within one hundred and twenty (120) days from submission of their Expression of Interest, whether the conclusion of a Management Agreement has been approved by the competent HDBI bodies. A Management Agreement is then signed by care of the offeror within 30 days from such notification. In case a Management Agreement is not signed within the time period prescribed above, then, provided that the Expression of Interest concerned constitutes a Prior Expression of Interest, HDBI may evaluate and accept a subsequent Expression of Interest by derogation from the rule of precedence established in paragraph (10), Section VIII (MANAGER'S SELECTION PROCEDURE) herein.

Other terms of the procedure

9. HDBI shall accept proposals for Investment Schemes until the allocated Resources are exhausted and, in any case, not beyond 31/12/2024. In case the Resources have been exhausted, HDBI will issue a notice to that effect. In any event, the proposals shall be analyzed and evaluated using objective and

professional criteria in line with the internal procedures of HDBI and international reference standards (Invest Europe, ILPA, etc.) and based on the terms of this Call.

10. In case the Expressions of Interest filed altogether require more Resources than those available, the rule of precedence will be applied, based on the submission date of each Expression of Interest. In case an Expression of Interest (Prior Expression of Interest) is expected to lead to exhaustion of the available Resources, HDBI may at any point of the procedure notify by email any offerors who filed subsequent Expressions of Interest, that the evaluation of the Subsequent Expression of Interest will be suspended until the evaluation of the Prior Expression of Interest is thoroughly completed.

11. HDBI reserves the right to terminate any discussions with any interested party as above, and to cancel the investment in any proposed Investment Scheme. This Call and/or the procedure outlined above does not constitute a proposal from HDBI nor does it create any obligation to HDBI to accept a proposal from an interested party or to cover any expenses. Commitment on behalf of HDBI against any interested party would only commence once a Management Agreement is signed, and subject to the terms of such Agreement.

IX. RIGHT TO OBJECT

1. Where an interested party's proposal is rejected due to failure to meet the formal prerequisites laid down in this Call, as outlined in paragraph 3 of Section VIII (MANAGER'S SELECTION PROCEDURE) the latter reserves the right to submit objections which should be sent to the email address qequalityfunds@hdbi.gr within 10 days from the date on which a message was sent that the proposal was rejected by HDBI.

2. HDBI would reply by email within 10 days from receipt of said objections and where these are accepted, HDBI will proceed to the second stage of examination and evaluation of the Expression of Interest in accordance with paragraph 5 of Section VIII (MANAGER'S SELECTION PROCEDURE).

3. It is clarified that an interested party found to meet grounds for exclusion

under Section V (GROUNDS FOR EXCLUSION) herein, may be excluded at any stage of the procedure after an Expression of Interest was submitted. If this is established following the completion of the procedure described in paragraph (3) of Section VIII (MANAGER'S SELECTION PROCEDURE), HDBI will inform the interested party for their rejection by e-mail and whereas the procedure described in Section IX (RIGHT TO OBJECT) may apply.

X. DATA PROTECTION

1. In the context of the evaluation of proposals, as same is described herein, HDBI may process personal data of the offerors and management teams/investors or any other persons who are included in the Expressions of Interest, taking all necessary technical and organizational measures to protect the confidentiality and security of such processing.

2. For the purposes of this Call, as "personal data" is any information referred to individuals which is essential and is required and requested in the context of this Call and any related documentation, including any additional information which may be requested by HDBI at a later stage, any information which is legitimately collected by HDBI from publicly accessible sources and generally any information which is furnished an interested party with their explicit consent (hereinafter: the "**Data**").

3. Data processing shall be carried out for the purpose of implementing the terms of this Call and evaluating the submitted proposals and the Investment Schemes included in the Expressions of Interest, in accordance with the terms of this Call; ensuring compliance with HDBI's statutory obligations; attaining HDBI's statutory objectives and ensuring compliance with the applicable laws and the mandate Agreement of the Project. HDBI may process Data principally on the basis of consent granted by each interested party in accordance with the terms of this Call for the conclusion and implementation of the Management Agreement. As far as processing under the consent provided is concerned, each interested party may withdraw that consent at

any time in writing (addressing HDBI at dpo@hdbi.gr for the attention of the Data Protection Officer) without affecting the legitimacy of processing based on consent prior to that withdrawal.

4. Recipients of the data will be HDBI through its authorized representatives and the auditing and supervisory bodies of HDBI as well as the High Counsel that has been appointed to monitor the implementation of HDBI's investment strategy in the context of the 01-04-2022 Mandate Agreement of the Project, and in general all persons who have competence to access and control the HDBI's files pursuant to express provisions of law. HDBI may assign specific data processing tasks to third parties (data processors), bound by confidentiality undertaking, acting accordingly to HDBI's instructions and may under no circumstances act for their own benefit.

5. The Data shall be kept and stored by HDBI throughout the investment period and the operation of the Investment Scheme as well as after their expiry/termination, for as long as may be necessary to ensure compliance with HDBI's obligations and with the regulatory procedures applicable under law.

6. The supply of Data to HDBI by each interested party is an essential requirement in order for HDBI to evaluate and approve each proposal through its Expression of Interest and meet its statutory obligations. Therefore, a refusal or withdrawal of consent of Data processing may result to HDBI's inability to fulfill its statutory objectives and may cause the rejection of the Expression of Interest or prevent the implementation of the proposal that is included in it.

7. Each interested party will be entitled to exercise all its rights accorded to it by the applicable law (specifically under Regulation (EU) 2016/679), and in particular the right to be informed of the Data which are to undergo processing by HDBI, the right of access to and rectification or erasure of their personal data, the right to object and the right of restriction of processing, the right of data transfer to another responsible or acting processor, subject to the terms and conditions applicable by law. In case of exercise of any of the above rights, HDBI shall take all necessary measures to satisfy the relevant request within the applicable deadline (30 days, which may be extended by

two months) and shall notify the specific interested party in writing as to whether their request has been satisfied, or else stating any reasons preventing the enforcement or satisfaction of their rights. The above rights are to be exercised by means of a written request addressed to HDBI [tel. 2103387110/email dpo@hdbi.gr for the attention of the Data Protection Officer].

Each interested party reserves the right to file a complaint before the competent regulatory authority (Hellenic Data Protection Authority) against HDBI in relation to the processing of their Data.

For any additional information interested parties may contact Hellenic Development Bank of Investments S.A. Tel.: +30210 338-7110 (email:info@hdbi.gr).
